OMB CONTROL NUMBER: 0584-NEW

SUMMARY OF COLLECTION: The purpose of this collection is to support the mission of the United States Department of Agriculture's (USDA's) Team Nutrition Initiative, which supports national efforts to promote lifelong healthy food choices and physical activity by improving the nutrition practices of the Child Nutrition Programs. The Team Nutrition Initiative is covered under Section 19 of the Child Nutrition Act of 1966 (42 U.S.C. 1788). Through this database, FNS also seeks to provide assistance to States in the development of comprehensive and integrated nutrition education and active living programs in schools and facilities that participate in

NSLP and CACFP, to assist States in establishing systems to promote the nutritional health and encourage regular physical activity of school children in the United States, and to provide training and technical assistance to the States.

NEED AND USE OF THE INFORMATION: The Food and Nutrition Service (FNS) will collect contact and other information on a voluntary basis from schools and organizations that participate in NSLP and CACFP in order to enter these schools and organizations into the team nutrition database. The schools and organizations can use the team nutrition database to develop peer collaboration and to keep up-to-date on the available resources developed under the Team Nutrition Initiative. FNS will also use the contact information to send electronic notifications to schools and organizations concerning the availability of new and updated Team Nutrition materials and to provide technical assistance. The collected information will be publicly available and upon request, Team Nutrition will share information with stakeholders.
